STAIR UNIT SYSTEMS

5 FT Stair Unit System

Simple 5 FT Frame Compatibility

- Fits standard 5x5 frames
- Fits Tube sizes: 5, 6, & 7

Aging Workforce

Easier and safer access for an aging workforce versus using ladders

Improved Safety vs. Ladders

- Better stability on stairs with handrails
- No blind spots- Look forward when coming down to avoid potential job site hazards
- Slip resistant treads

WORK SMARTER.
CLIMB SAFER.
